recordist I've been mixing professionally and at a high level for over three decades now and I can assure you great mixing isn't about manipulating sound. This is accomplished through concrete strategies and techniques that I'm uniquely qualified to offer you. Boost Your Confidence Now! You can spend the next decade mixing two songs a day to get there. Or you can get *Zen the Art of MIXING 2021* and I'll explain the thinking behind great mixing. And then watch your confidence soar. There's a reason why this is my most popular work to date.
